

MULTISPORT EVENT DAY INFORMATION

Registration, race pack collection & race briefing

Registration and race pack collection will be held at the Hub information Centre located at 91 Dent Street in the Town Basin. Our team will be onsite from 3pm to 8pm on Friday 13th April. If there is no way you can make it to registration on Friday evening we will also have registration available at the event base (Taurikura Bay) from 6:30am Saturday morning.

There will be a multisport race briefing in the finish pen for all team members at 7.30am Saturday morning. And a second kayakers only briefing on the beach at 7.45am. You must attend these briefings.

Car Parking

Please park in the event base (Taurikura Bay) from 6.30am Saturday 14th. Follow signage and/or event staff instructions once you arrive in Taurikura Bay. This option is for Multi-sport competitors only, to make it easier with bike and kayak drop offs etc.

If you have a 4x4 vehicle, please advise our parking marshals upon arrival.
